Bail is modified to home  
detention with location  
monitoring at the  
discretion of PTS. SO  
ORDERED.

**RE: United States v. Gregory Herman  
19 Cr. 825 (PAC)**

Dear Judge Crotty:

I write, with the consent of the government, seeking a modification of Mr. Herman's pre-trial release conditions. On March 24, 2020, the Court modified Mr. Herman's conditions to home incarceration with location monitoring at the discretion of Pre-Trial Services. The parties now agree that Mr. Herman's home incarceration should be downgraded to home detention, which should afford Mr. Herman more flexibility to leave his address to obtain employment, receive medical care, participate in out-patient substance abuse treatment, and obtain HRA-related benefits. Accordingly, I respectfully ask that the Court issue an Order modifying Mr. Herman's bail to home detention with location monitoring at the discretion of Pre-Trial Services.

Respectfully Submitted,
